

Alene Lindley
DIRECTOR OF SECONDARY CURRICULUM,
GIFTED/TALENTED AND ADVANCED ACADEMICS

Request for Additional Screening

Dear Parents of Secondary Students:

The Gifted and Talented program in Katy ISD serves secondary students in the four core academic areas of language arts, social studies, math, and science. If you would like to have your child screened for GT services in an academic area in which he/she is not currently served, complete the "Request for Screening for Additional GT Service" form at the bottom of this letter. Return it to the counseling office at your child's campus. The deadline for returning this form is December 6, 2017. (Note: Students who entered Katy ISD this school year as GT transfer students, and who were tested in the fall semester, may not be re-evaluated until next fall.)

The following information will be reviewed by the campus in order to screen currently identified GT students for service in additional subject areas:

- 1. Completed "Request for Screening for Additional GT Service"
2. Classroom Observation for the appropriate subject(s)
3. Subject area subtest score(s) from a nationally normed achievement test. If scores are not available, the appropriate subtest will be administered.
4. Current ability score

Sincerely,

Alene Lindley (handwritten signature)

Director of Gifted/Talented and Advanced Academic Studies
